

## Stitches

### **Verse:**

Am                    G                    C            F  
---I thought that I'd been hurt before

Am                    G                    C            F  
But no one's ever left me quite this sore

Am                    G                    C            F  
---Your words cut deeper than a knife

Am                    G                    C            F  
Now I need someone to breathe me back to life

### **Bridge:**

F            F                    G            G            Am            Am                    G/A            G/A  
-Gotta feeling that I'm going under --But I know that I'll make it out a-

F            F                    G            G            Am                    Am G            G  
live. If I quit calling you my lover, --- and move on --- You watch me

### **Chorus:**

Am                    .            .            .            G            .            .  
bleed until I can't breathe -- Shaking,

C                    .            .            .            F                    .            .  
falling onto my knees -- and now that

Am                    G                    F                    C            G/B  
I'm with-out your ki --ss-es- I'll be needing stitches

Am                    G  
Tripping over myself -- Aching,

C                    F  
begging you to come help -- And now that

Am                    G                    F                    C            G/B  
I'm without your ki --ss-es - I'll be needing stitches

**Verse:**

Am                    G                    C                    F  
 ----Just like a moth drawn to a flame.                    Oh, you

Am                    G                    C                    F  
 --lured me in, I couldn't sense the pain

Am                    G                    C                    F  
 ----Your bitter heart cold to the touch.                    Now I'm gonna

Am                    G                    C                    F  
 reap what I sow -- I'm left seeing red on my own.

**Bridge:**

F            F                    G            G            Am            Am                    G/A            G/A  
 -Gotta feeling that I'm going under --But I know that I'll make it out a-

F            F                    G            G            Am                    Am G            G  
 live. If I quit calling you my lover, --- and move on --- You watch me

**Chorus:**

Am                    .                    .                    .                    G                    .                    .  
 bleed until I can't breathe -- Shaking,

C                    .                    .                    .                    F                    .                    .  
 falling onto my knees -- and now that

Am                    G                    F                    C                    G/B  
 I'm with-out your ki --ss-es- I'll be needing stitches

Am                    G  
 Tripping over myself -- Aching,

C                    F  
 begging you to come help -- And now that

Am                    G                    F                    C                    G/B  
 I'm without your ki --ss-es - I'll be needing stitches
